Tour Triple Arrow Industries

Recipient of a 2016 Special Assistance Grant from Ohio EPA

Triple Arrow specializes in the recycling, trading and exporting of non-ferrous metals and scrap plastics. The Marysville location processes "super sacks" from the bag to the pellet.

Honda Heritage Center

Experience the **Power of Dreams**
Through Honda's History of Innovation

The Honda Heritage Center highlights historical, current and future products, each with its own story. The exhibits showcase the spirit that has driven Honda to overcome challenges and make a positive impact on the environment, our communities and our customers.
