Dear Friend,

The Ohio Association of Litter Prevention and Recycling Professionals is excited to host its statewide Conference next summer at the Christopher Conference Center located in southern Ohio in the foothills of the Appalachian Mountains in Chillicothe. The conference's purpose is to provide professional development through leadership, training, and networking opportunities to its members and partners. This event will bring environmental professionals from all over Ohio to the Chillicothe area with a theme to "Revamp, Refresh, and Refocus". Attendees will represent most of the eighty-eight counties in Ohio.

The conference dates are Tuesday through Thursday, June 16th – 18th, 2020. If your business or organization is interested in having a booth space, please let me know if you would be able to spend **Wednesday, June 17, 2020** with us in Chillicothe. Below is the information for the booths.

Corporate Exhibitor: Booth fee is \$150 and includes a table space, lunch for one representative, and access to the conference's attendee list. Any additional representatives can register for \$25 per person.

Nonprofit Exhibitor: Booth fee is \$50 and includes a table space, lunch for one representative and access to the conference's attendee list. Any additional representatives can register for \$25 per person.

Table length is 6 feet and tablecloths and skirts will be on the table. Vendor fees are payable by check made out to OALPRP, due by June 1, 2020.

While not required, we encourage vendors to donate one item to the silent auction, which is an opportunity to highlight your business and benefit the C.R. Meyers Scholarship awarded annually to an Ohio student pursuing an environmentally related career path.

Please let us know if you would like to exhibit at our conference by filling out the form below and submitting it via email to HoffmanC@mcoho.org or by mailing a completed form with your check to:
